What is a RUCK?

For those who haven't had the experience of a "Ruck March", the basic explanation is the art of strapping a weighted bag/ruck to your back and typically in full battle gear (helmet, weapon, uniform and boots) completing a challenging march at a substantial pace!

*For **THIS EVENT**, the requirements will be: **35# Ruck** (weighed prior to event)—Full battle gear not required.

WHY RUCK???

Sexual Assault Victims live and work among us. Data tells us only 1 in 4 (at best) victims will report.

These victims among us carry a heavy, invisible backpack of burdens with them every day. Things we do or say can either add to their weight or lighten their load--this is what the ruck represents for our race.
